

ACE GRADES, PRODUCTS & INDUSTRIES

Silver Line: Technical laboratory grade

Gold Line: Chemically pure quality - supplied with "Typical analysis"

Platinum Line: Analytically pure quality - supplied with "Warranty certificate"

HPLC Line: Solvents for high performance liquid chromatography

ACE imports Speciality and Fine chemicals, Analytical Reagents, Indicators, Dyes, Stains, High Purity Acids, Bases, Solvents for Analysis and Synthesis: Ag/Au/Pt/IR/UV/GC/MS/Pesticides/HPLC/Electronic Grade/Spectrophotometric reagents, Scintillation grade, Concentrated and readymade Volumetric solutions, AAS standards, ICP standards, CRM standards, Petrochemical Reagents, Buffers, Compounds, Ion Pairing Reagents, Amino Acids and Derivatives, Vitamins, Enzymes and Coenzymes, Micro and culture media, Fusion components, Rare Earth Metals, Actinides and their salts.

Molecular Biology, Filter paper and media, Zirconium & Platinum Crucibles, Glass Ware, Plastic Ware, Ceramic Ware, Other Lab Ware and Equipment, Safety cabinets and Safety containment services; all of the highest standards from numerous world renowned suppliers.

After stringent quality control, we re-pack and label products at our own state of the art premises in line with our **Triple ISO Certified Procedures** into popular manageable Pack sizes.

Our products are sold for "**laboratory use only**" and may not be used in any way for or as:

drugs or intermediates thereof

food additives

household products

munitions production and/or testing of any kind

 nuclear testing and/or production

Our products are used in fields that include:

 Medical and pharmaceutical

 Cosmetics

 Food and beverage

 Mining and minerals

 Research and analytical

 Clinical, diagnostic and forensic

 Petro-chemical and fuel

 Photographic

 Education

 Paints and pigments

 Industrial chemical formulations
